Year 3 & 4 Easter Reflection

Due to unforeseen circumstances, Year 3 & 4's Easter Reflection will now be **AT THE SCHOOL**. We look forward to welcoming the friends and family of the children in Years 3 & 4. As it is in school and we have number restrictions, every family will be allocated two seats. When you arrive for the Easter Reflection, you will be directed to your seat. If you are unable to attend, or need additional tickets, please send an email to vicky@st-georges.southend.sch.uk and we will try and accommodate any requests. Thank you in advance for your support and your patience with the change of venue.

Television Appearance!

Yesterday was a very special day! I was interviewed and filmed for the ITN news programme to talk about Tommy's birthday. It was special because as well as it being Tommy's birthday, it was also World Down's Syndrome Day. Tommy and his wife, Maryanne (my auntie) have Down's Syndrome. They are amazing! I was filmed helping Tommy open his cards, which were sent from all around the world. It was really interesting to see the behind the scenes work of how programmes are made and I really enjoyed being interviewed too.

Auditors

This week the Auditors were in looking at our Finance procedures. They were surprised at the volume of cash coming into the office and have stressed the importance of using WisePay. Using WisePay protects you and staff and gives us an electronic paper trail. If you are experiencing problems with WisePay or need to reset your password please speak to the office.

'Shelfies'

Mrs Philips would like to say a huge THANK YOU for all the 'shelfies' that have been sent in. We ask that if there are any more pictures to come, they are sent in by Tuesday 26th March.

Parent Consultations

Next week is open evening and parent consultations. Children are very welcome to be part of this process as it gives them the opportunity to hear about their successes and also areas that they may need to work on. We look forward to welcoming you all into school over those three days.

After School Clubs

This week was the last week of school run clubs. **Steps Ahead** finishes next week, **Southend United** finishes on the 4th April and **Multi Sports** finishes on the 1st April. Thank you to the staff for organising the clubs and the children for being such active attendees!

School Uniform

Our new uniform supplier has asked if any of our pupils would be happy to be photographed in their school uniform, which she will then be put on her website to show the different items of uniform for sale. The photographs will be taken at school on Thursday 4th April. If you would like your child's name to be put forward please complete the slip at the end of the newsletter and hand it in to the office.

Class Assembly

Yesterday St Anthony's class reminded us of the importance of Memories. They shared memories of special people, their first day at school and their First Communion, and explained how important the Eucharist is, as a way of remembering Jesus' love for us. Thank you Year 5, Miss Rusz and Mrs Ellegard for a wonderful celebration.

Science Day

Following last week's Practical Science Day, Rosie from ascreatives joined us today to lead a whole School Assembly on the theme of Space. Each class has also taken part in a Science workshop. In Year 4, we were focusing on the perils of space travel and worked in small groups to create a story using freeze frames. Examples of the drama we chose included loss of oxygen and being hit by a meteorite. We worked well together and learned more about space and the universe. *Science is interesting, Science is inspiring, Science is fun!*
