

Big Write

An Alien in the Classroom

On Monday 10th November, the children will be participating in a Big write session of unaided writing.

I would like you to write a story about a new member of our class – an alien!. Try to think about:

- How did they arrive?
- What did they do in the classroom?
- Did the teacher realise there was an alien in the classroom?
- The adventures you have together.

Try to use the skills we have been learning in English lessons about story writing.

- Beginning, middle and end
- Characters
- **Full stops and capital letters** (practice your story by saying it out loud so you can hear where you would need a full stop.
- Direct speech using inverted commas
- Synonyms for said.
- Use description to create a picture in my head as I read your story.
