Reports

All parents should have received their child's reports this week. The reports are designed to celebrate your child's achievements during this year and signpost any areas for development. If you have any questions or problems relating to the report, please see your child's teacher before or after school to make a mutually convenient time for a consultation.

This year, the assessment system and gradings have changed due to familiarisation with the new, more challenging, curriculum. This has led to us refining the assessment to reflect the higher expectation set by the government. Comparing this year's results to previous years may not give an accurate picture of the progress your child has made.

If you are happy with your child's report, there is no need to make an appointment.

I do ask though, that all parents fill out the comment sheet enclosed which not only shows the receipt of the report, but also gives you an opportunity to give feedback to the teacher.

Twilight Colourthon

A huge WELL DONE to Adele (St Anthony) and the staff who completed last week's Colourthon: Mrs Halvey, Mrs Lawrence, Mrs Fitchew, Mrs Marquis and Mrs Davenport. They raised a magnificent £1200 for HCPT 192 group.

And finally.....

Tomorrow is Skydive day. I would like to thank everyone who has donated and wished me luck in the build up to my leap of faith. I am looking forward to completing the jump, mainly because of the charity it will benefit. My pre-jump total stands at £975, which is an amazing amount, so thank you again to everyone who contributed. If you would still like to donate, you can click on the following link
