## Anti-Bullying Week 2019

It was great to see the children participate in 'ODD SOCKS DAY' for Anti-Bullying week and this afternoon we celebrated all the different work that the children completed over the last few days. The key message this year was 'Small change. Big difference'. By making small, simple changes, we can break this cycle and create a safe environment for everyone because together, we can challenge bullying. Change starts with a conversation. It starts with checking in. It starts with working together.
